Share Contract:

I wish to support the Community Farm of Ann Arbor. The growers are committed to try to grow the crops as indicated on the crop production list to the best of their abilities and weather permitting. In the event that expenses are not met, I agree to pay a special assessment fee of up to 10% more than my share cost. I understand that I am making a financial commitment and recognize that there is no guarantee of the amount of produce that I will receive. I also understand that it is my responsibility to pick up my share at the farm or my pod's agreed-upon distribution site during the designated time period, and to participate in one of the Membership Involvement Options. I understand that neither the owner of the land nor Community Farm of Ann Arbor will be held responsible for the safety of farm members, their families, or their guests.
