I wish to support the Community Farm of Ann Arbor. The growers are committed to try to grow the crops as indicated on the crop production list to the best of their abilities and weather permitting. In the event that expenses are not met, I agree to pay a special assessment fee of up to 10% more than my share cost. I understand that I am making a financial commitment and recognize that there is no guarantee of the amount of produce that I will receive. I also understand that it is my responsibility to pick up my share at the farm during the designated time period, and to participate in one of the Membership Involvement Options. I understand that neither the owner of the land nor Community Farm of Ann Arbor will be held responsible for the safety of farm members, their families, or their guests.

Share Cost Calculator:

1. Your Pledge:

2018 Full Share Sliding Scale is \$850 - \$2000; Average Pledge Target (to meet budget): \$1200

2018 Every Other Week Share Sliding Scale is \$500 - \$1050; Average Pledge Target (to meet budget): \$675

2018 Taste of the Farm, Once Per Month Share is \$350

The sliding scale is in place to allow for a beautiful breadth and diversity in our membership. The average pledge target is the figure used to form the budget and is the average price people pay for the share. Please pledge what you can sustainably afford, knowing that those who pay more than the target help support others, and those who pay less are being supported by others. It is essential that we help each other to better our world. All things grow with love!
